Ongoing Payment Relief has two different tracks. Homeowners can only apply for one track. To be eligible for either, homeowners must have household income at or below 100% of the AMI for household size or 100% of the median income for the United States, whichever is greater. The greater of the two is outlined in the chart below on the “Ongoing” row.

- **Hardship Track:** Homeowners must also have a qualifying current and ongoing financial hardship.
- **Stability Track:** Homeowners must also be “housing cost burdened” by paying more than 43% of their household income toward housing costs.
